**City of Hamilton: Cybersecurity Incident Update**

**Hamilton, ON** – Updates on the City of Hamilton cybersecurity incident response:

- March Break Camps are proceeding as scheduled.
- Recreation programming is continuing uninterrupted. However, registration for the City’s spring recreation programs, which was scheduled to open the week of March 4, is paused until further notice. For questions about recreation programming, please visit a recreation facility directly or visit the City’s website.
- All City of Hamilton standing committee meetings are cancelled up until Friday, March 15, 2024 to allow us to focus on our recovery efforts.
- The City is holding a Special Council Meeting on Monday, March 4 at 9:30 a.m. for staff to provide Council with a confidential update regarding the current Cybersecurity Incident response.

The City will continue to provide further updates about the cybersecurity incident response as new information becomes available.
