15	24,480	8,340	25,766	8,602	25,281	8,736
Total	490,260	193,783	504,559	204,962	519,949	214,542

Note: 2001 population and dwellings are based on 2001 Statistics Canada Census semi-custom ward tables. 2006 and 2011 population and dwelling are estimated by aggregating Census dissemination block values. Where dissemination blocks overlap ward boundaries, manual adjustments were made. Dwellings refers to all occupied and unoccupied dwellings. Source: 2001, 2006 and 2011 Statistics Canada Census (excludes undercoverage). Produced by GIS-Planning and Analysis, May 2012
