Application for Home Day Care Special Consideration for Garbage Container Limits

The City of Hamilton has a special consideration provision to allow an increase to the garbage container limit for Home Day Care providers demonstrating a need for additional waste containers. By completing and submitting this application, upon approval, eligible properties will be provided with trash tags to be used at their discretion to set out additional containers on their scheduled waste collection day. For continued uninterrupted service, residents must reapply yearly for Special Consideration by March 1st. **Trash tags are meant for the approved address ONLY.**

Unlimited quantities of recycling may be set out every week for collection.

By completing and submitting this application, I hereby certify that the information provided is true and correct. (Please print)

Please check if you are renewing a previous application.
