**MEMORANDUM OF ORAL DECISION DELIVERED BY SUSAN de AVELLAR
SCHILLER ON AUGUST 18, 2014 AND ORDER OF THE BOARD**

[1] Five cases have been grouped to be heard together but are not consolidated. Those cases are PL130601, PL131089, PL130630, PL130909 and PL131311.

[2] Cases PL130601 and PL131089 were heard and disposed of in a teleconference appearance in July, 2014. Cases PL130630, PL130909 and PL131311 were heard by the Board on August 14 and August 18, 2014. Separate decisions will issue for each of these three remaining cases.

[3] This decision deals only with case PL131311. 1804487 Ontario Inc. ("1804487") is the applicant and appellant in case PL131311.

[4] There are five interests with land holdings that are clustered together between West 5th Street on the west and Upper James Street on the east. Stone Church Road West is to the north and Rymal Road West is to south, although none of the properties front on either Stone Church Road West or Rymal Road West.

[5] These interests are 1804487, 1804482 Ontario Ltd. ("Sonoma"), A. De Santis Developments Ltd. ("De Santis"), DiCenzo Construction Company Limited ("DCCL"), and Robert Morris, a participant in these proceedings.

[6] Sonoma, DCCL and 1804487 all wish to develop their lands and have applications before this Board in support of those intentions.

[7] Neither De Santis nor Mr. Morris has a development proposal before the Board.

[8] The Board was advised that the City of Hamilton, Sonoma, DCCL and 1804487 had reached a settlement, as set out in the Minutes of Settlement ("MOS") filed as Exhibit 3 in these proceedings.

[9] De Santis is not a signatory to the MOS.

[10] Counsel for De Santis advised the Board that De Santis does not accept the MOS but De Santis is not calling a case in any of the matters before the Board. De Santis then withdrew and took no further role in these proceedings.

[11] The Board heard from Edward Fothergill, a full Member of the Canadian Institute of Planners and a Registered Professional Planner in Ontario whom the Board qualified to provide independent expert opinion evidence in land use planning matters.

[12] 1804487 wishes to develop its lands with two components. One component will be a place of worship and associated community centre. A second component is a four-storey, 48 unit retirement home with medical and service uses at grade.

[13] Storm water management is an issue in this neighbourhood. A portion of the property will accommodate a storm water management facility that will serve the subject property and lands in the surrounding neighbourhood.

[14] The proposed development represents intensification, provides a mix of uses that serve community needs and contributes to the provision of a range and mix of housing, including housing to serve the special needs of the elderly who will live in the retirement home. In so doing, this proposal contributes to the development of a complete community.

[15] The Board finds that the proposal is consistent with the Provincial Policy Statement, 2014 and conforms to the Growth Plan for the Greater Golden Horseshoe.

[16] Two by-laws apply to the subject lands as a result of the City of Hamilton being the successor to certain area municipalities including the former Corporation of the City of Hamilton. By-law No. 6593 is the by-law of the former Corporation of the City of Hamilton; By-law No. 05-200 is the by-law of the City of Hamilton. As a result, the Board has before it two zoning by-law amendments, one for each of these by-laws.

[17] The proposal now before the Board has scaled back on the commercial uses. As such, the proposed zoning by-law amendments conform to the former City of Hamilton

Official Plan. 1804487 now withdraws its appeal of its earlier proposed amendment to this plan.

[18] The proposed zoning by-law amendments also conform to the new Urban Hamilton Official Plan.

[19] The Board has also had regard to the decision of Council to enter into Minutes of Settlement and support the proposed zoning by-law amendments.

[20] 1804487 asks the Board to amend By-law No. 05-200 in accordance with Attachment 1 to this decision and to amend By-law No. 6593 in accordance with Attachment 2 to this decision.

[21] In accordance with clause 41 of the Minutes of Settlement, Counsel for Sonoma and Counsel for DCCL advised the Board that they support this request.

ORDER

[22] The Board orders that the appeal by 1804487 Ontario Inc. is allowed in part and that:

1. By-law No. 05-200 is amended in accordance with Attachment 1 to this decision.
2. By-law No. 6593 is amended in accordance with Attachment 2 to this decision.
