# **Program Budget and Attachments**

# Program Budget

A crucial part of any grant application is the Program Budget.

This overview is to provide you with a snapshot of the key components which the CEF program budget requires...

# Program Budget – Preparing the Budget

## **Step 1: Understand the Grant Application Requirements**

Refer to the Community Services handbook to understand K eligible and ineligible items related to your program.

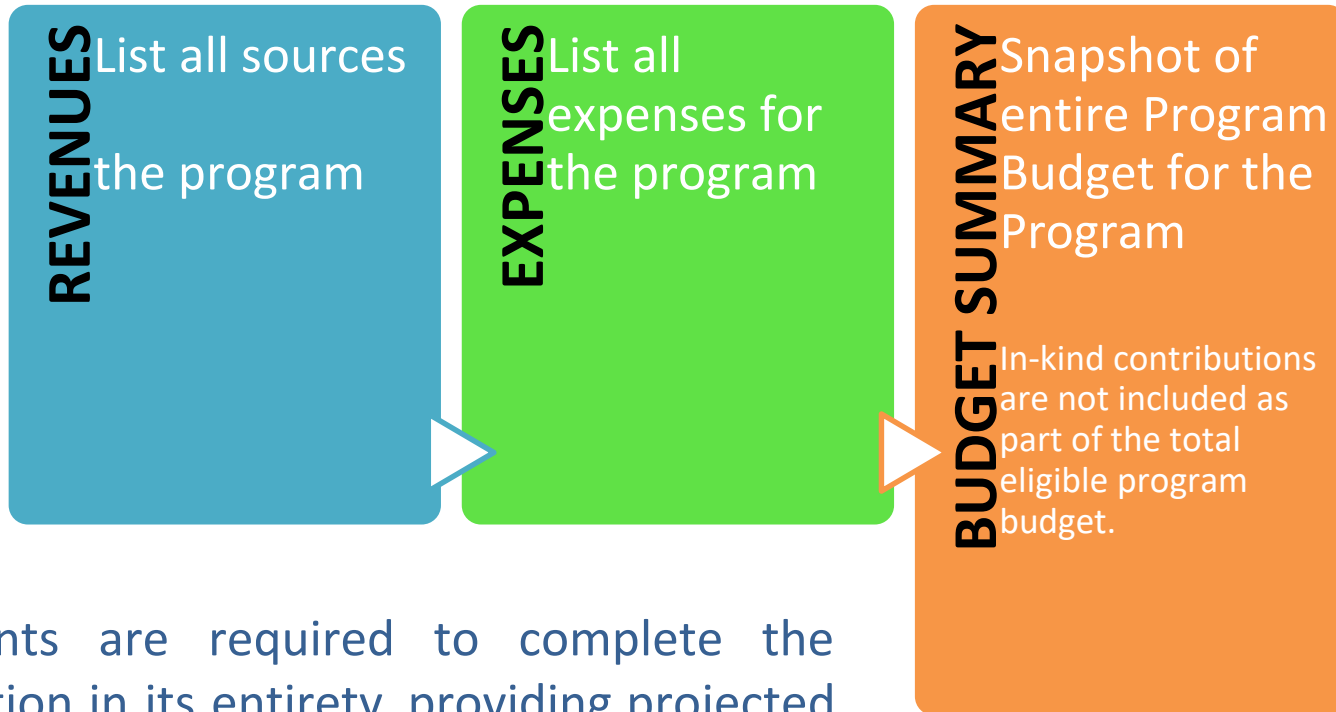

## **Step 2: Take time to Calculate and Determine Costs**

What exactly will the money for your program be used for? How much will it cost

## **Step 3: Make Sure Your Budget Aligns with Your Program Description and Request**

# Program Budget – Components

The CEF Program Budget is separated into 3 main distinct sections; Revenue, Expenses and Budget Summary.

Applicants are required to complete the application in its entirety, providing projected values for the current funding year and actuals for the prior reporting Period.

# Program Budget – Justifications

- Supplies and Materials
- Equipment
- Travel
- Other Direct Costs
- Facilities and Administrative Costs
