Mandatory question (88 responses)

Lakepointe Park Development

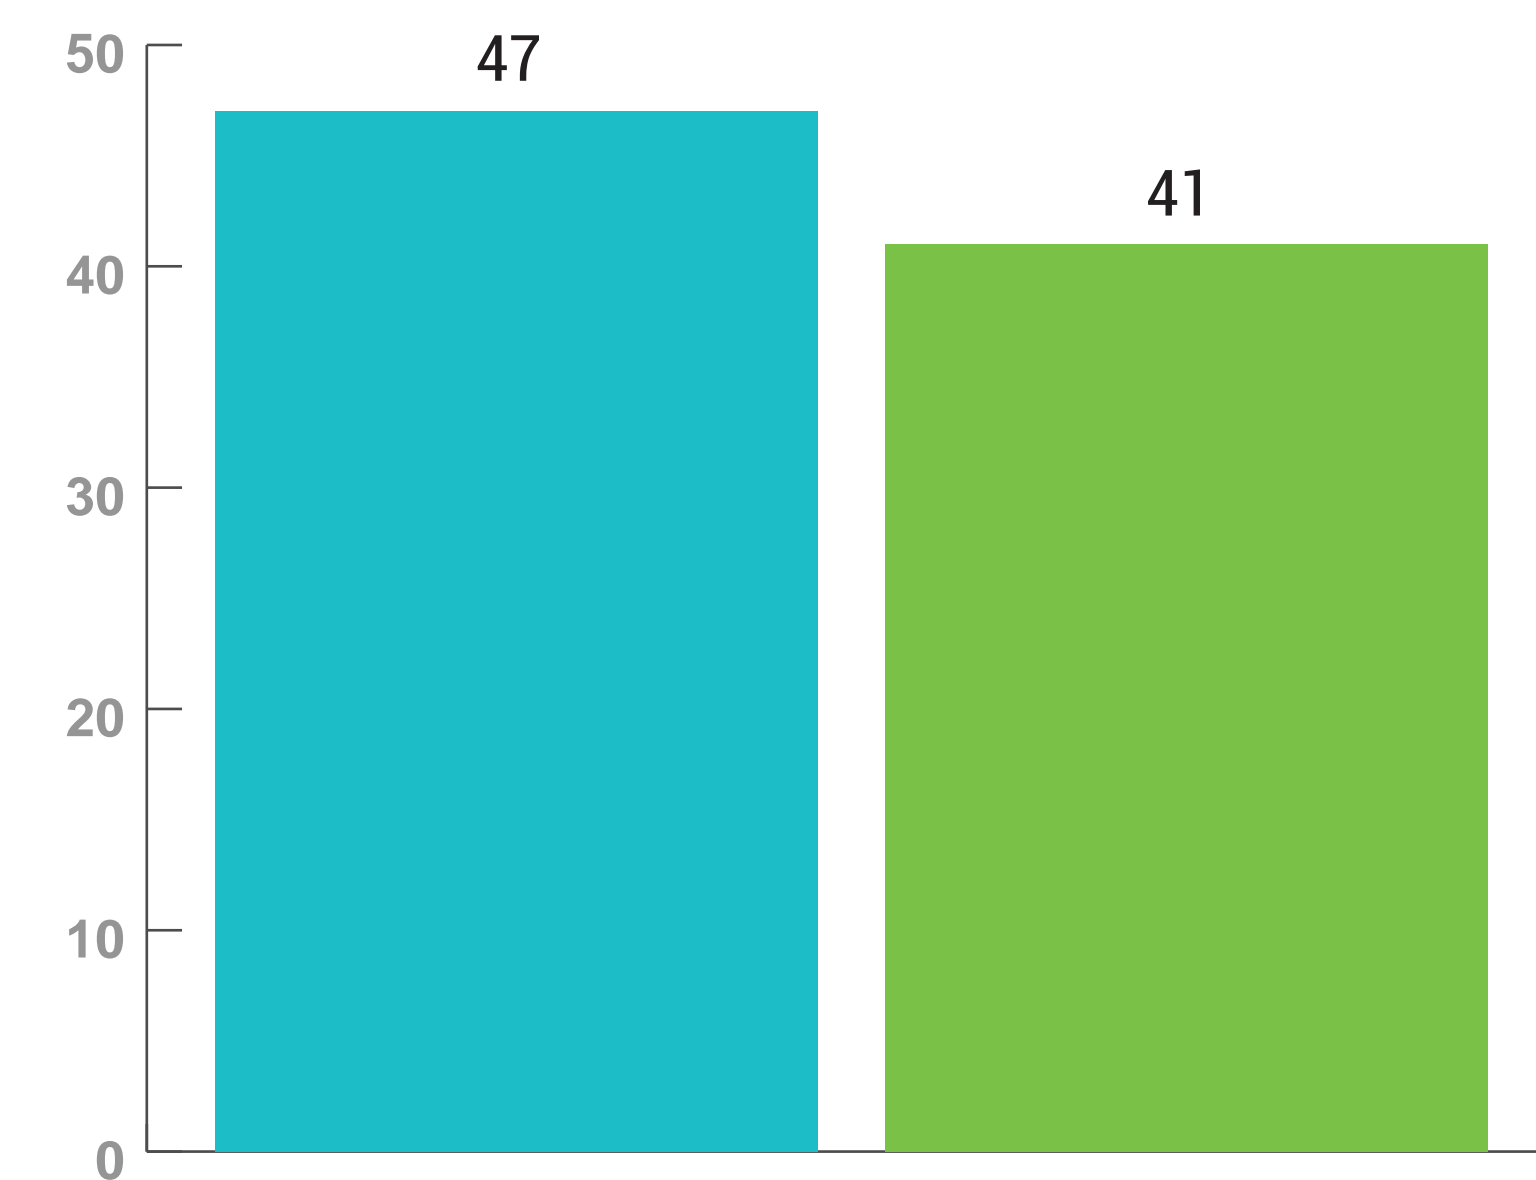

SURVEY RESPONSES

A shade shelter is proposed to be built at the park. What shape of sun shelter is preferred?

Mandatory question (88 responses)

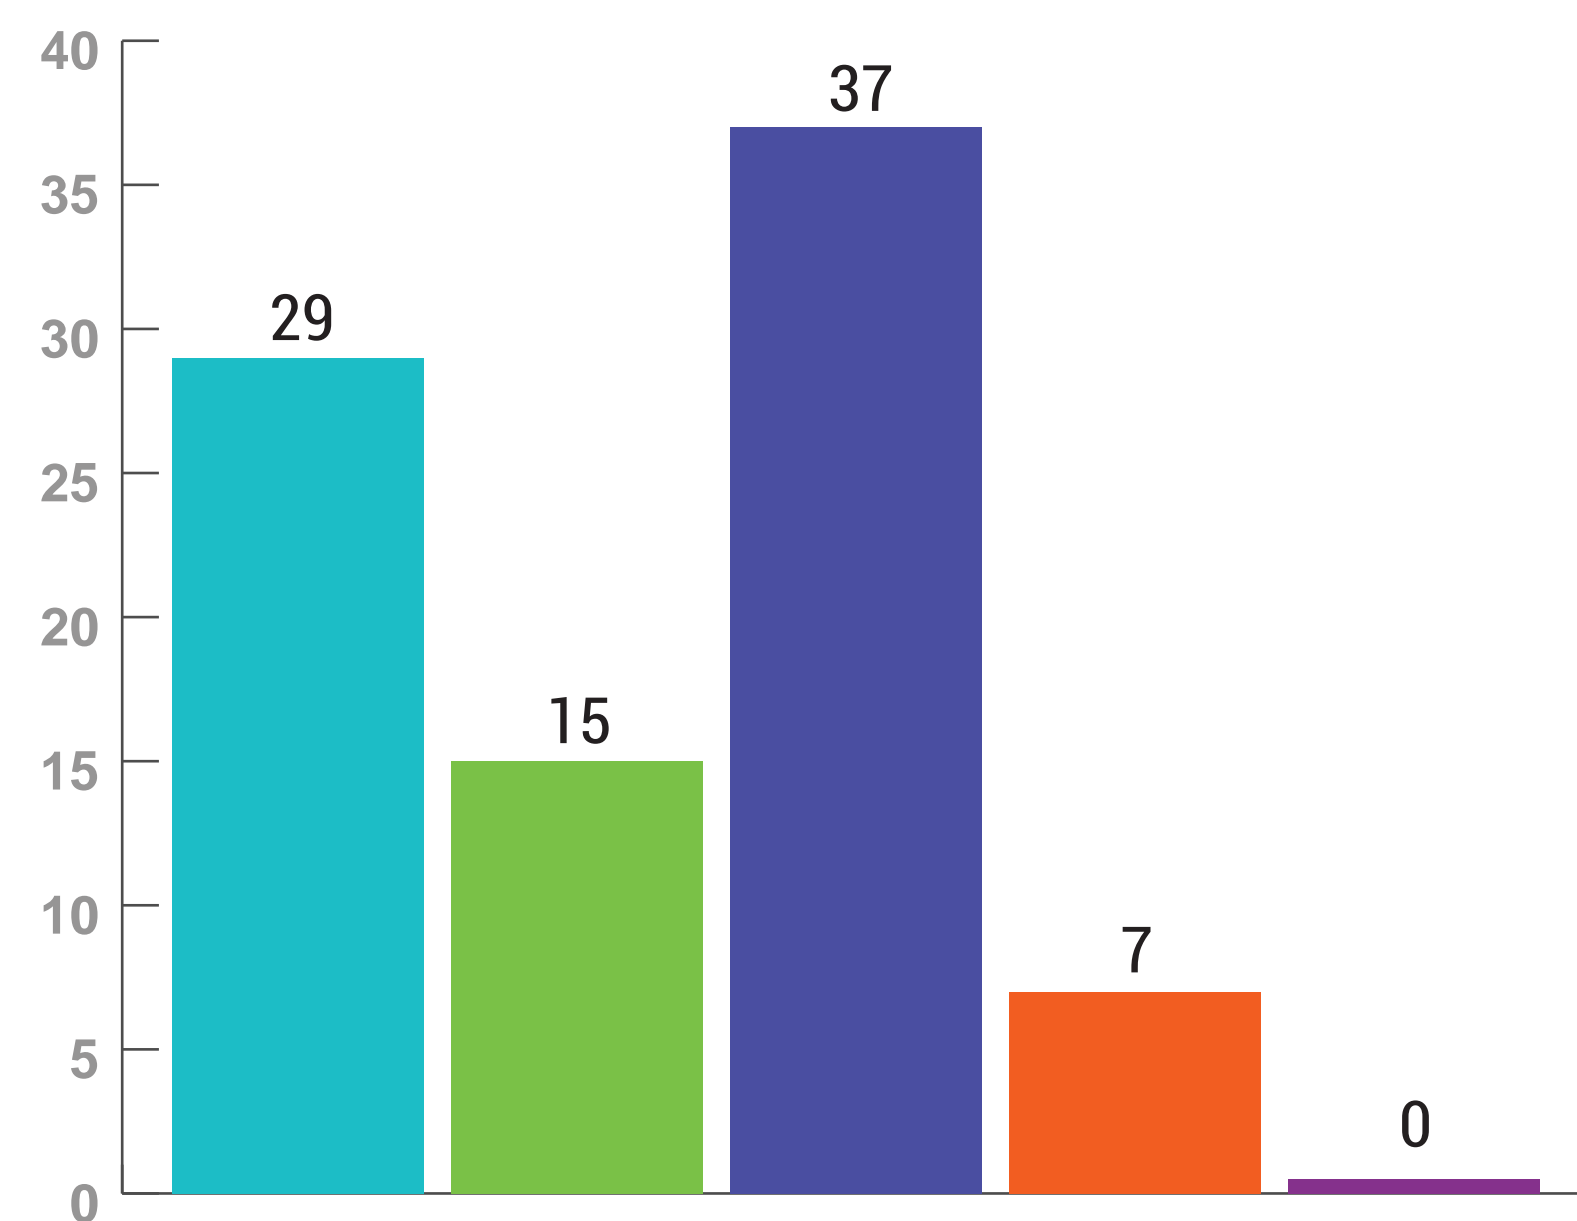

A multi-use court is proposed to be built at the park. What is the most desired court layout?

- Option 1 - Full size basketball court including 3-pointer and half court lines, with two basketball nets at opposite sides, and built-in road hockey nets
- Option 2 - Full size court including lines and nets, plus a ball wall to play handball, 1-player tennis, lacrosse, or squash

Mandatory question (88 responses)

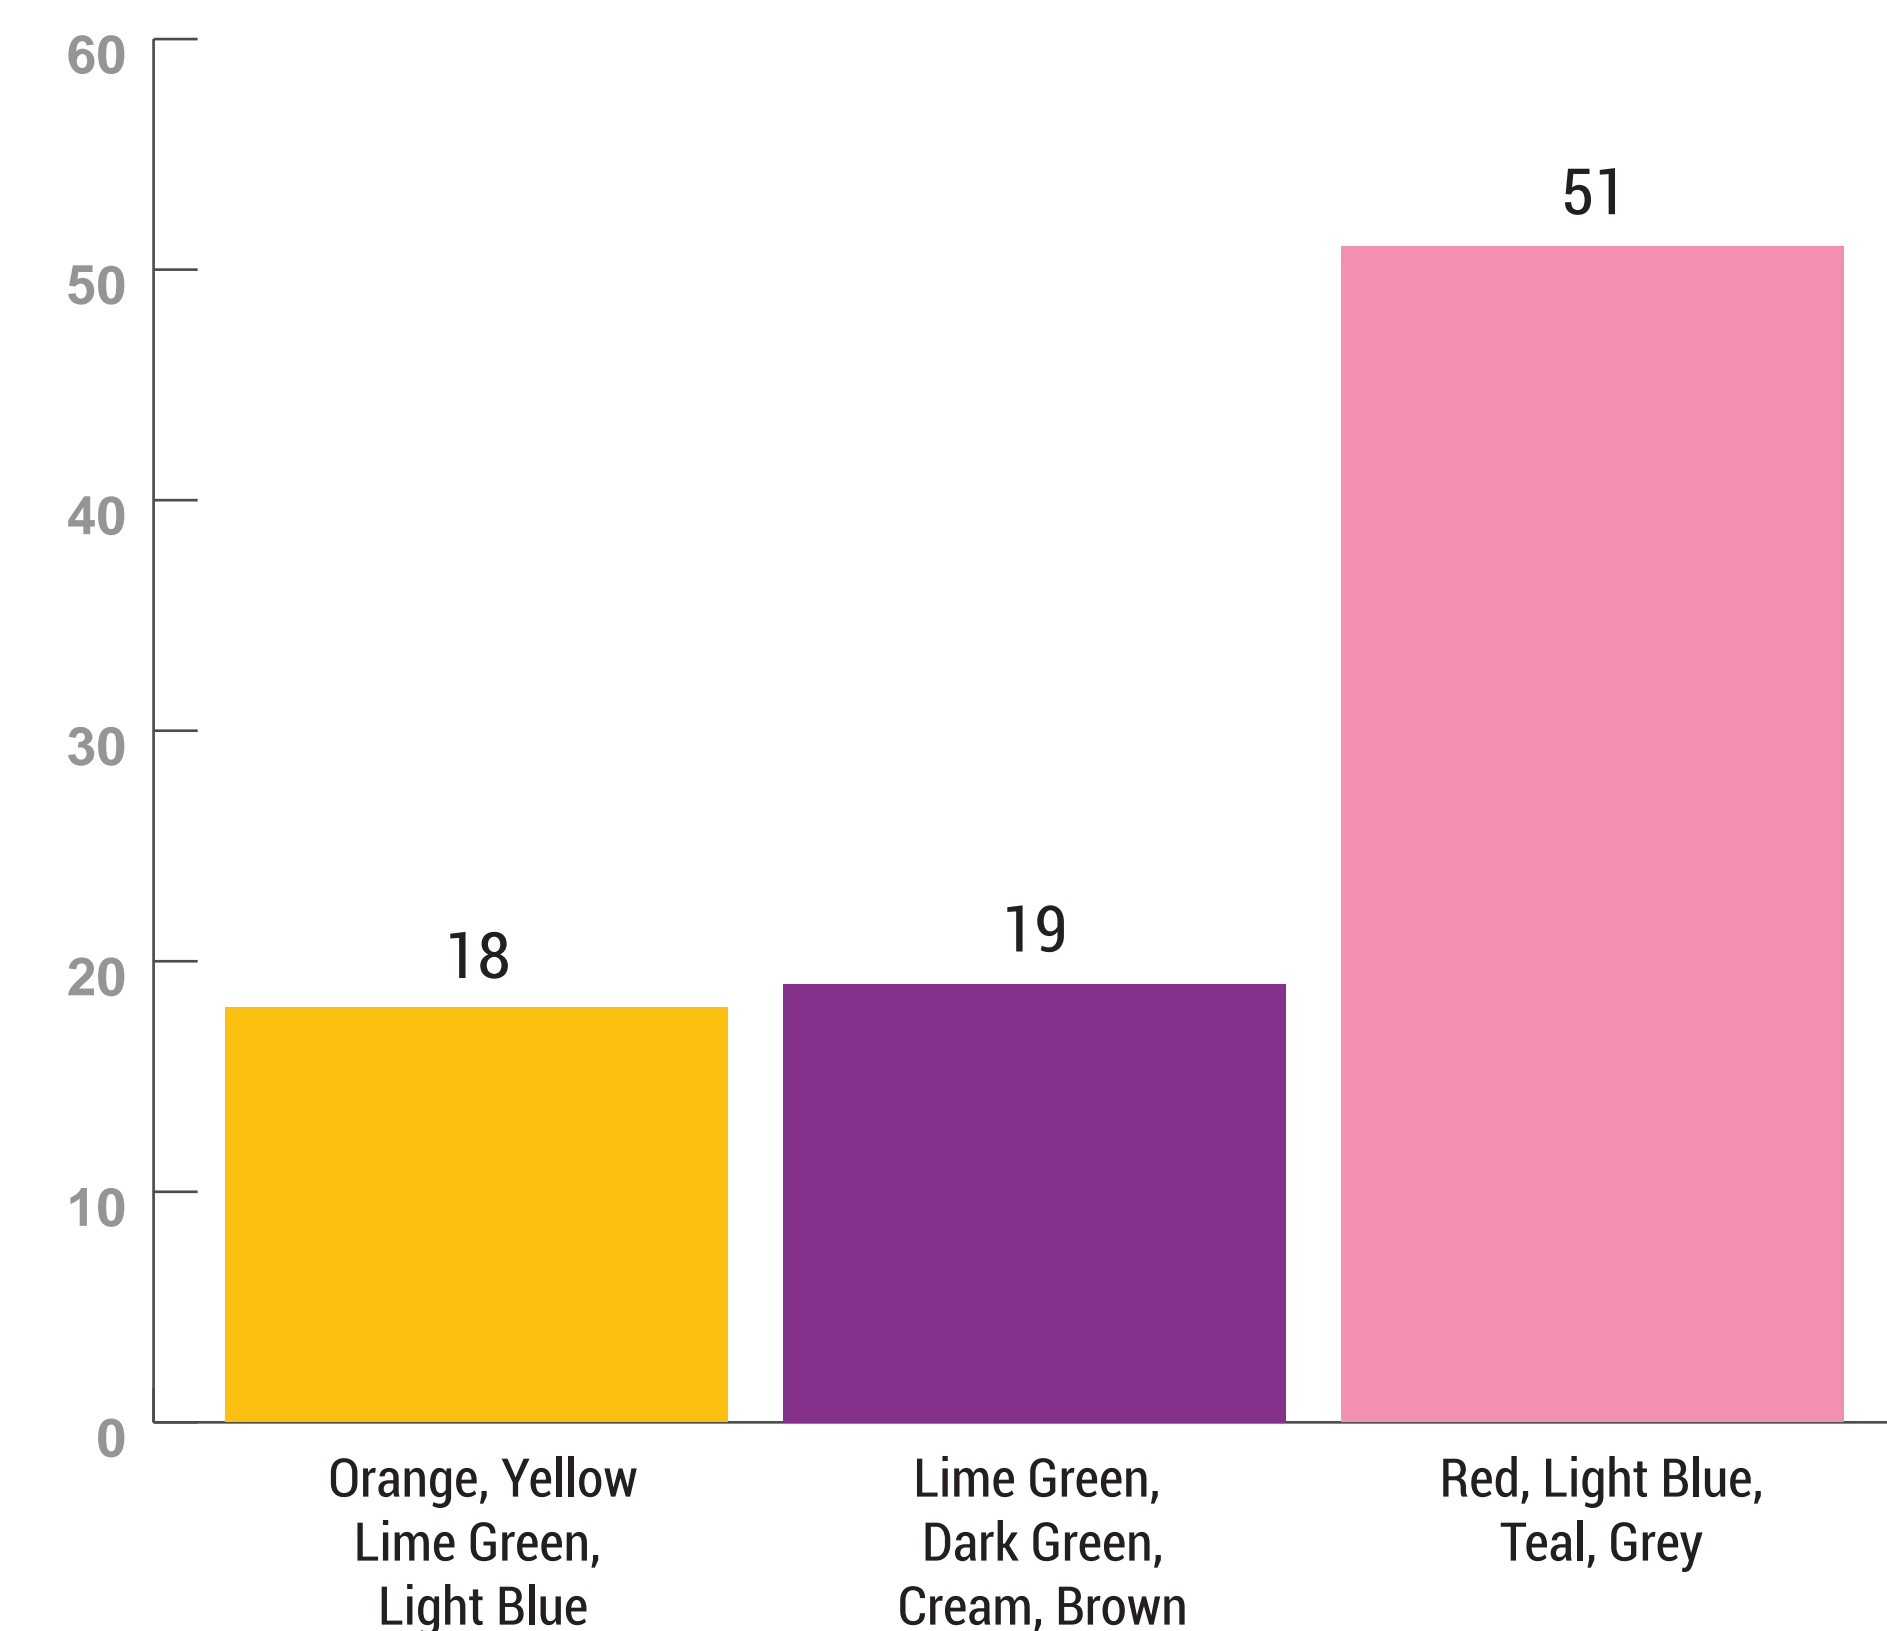

In your opinion, what is the most important play experience that should be included in playground equipment?

- Imaginative play (e.g., store counter, car maps, etc.)
- Games play (e.g., tic tac toe, scavenger hunt, etc.)
- Social play (e.g., picnic table seating, challenge circuits, etc.)
- Sensory play (e.g., textures, colours, sounds, etc.)
- Quiet play (e.g., solo hammocks, enclosed pods, etc.)

Mandatory question (88 responses)

What colour palette should the playground equipment be?
