Public Health and Community Safety Resources:

Needles: Found a needle, now what?

If you find a needle on Public property including sidewalks, streets, boulevards, parks, trails or facilities, contact the City of Hamilton, Customer Contact Centre, (905) 546-CITY (2489) and report it.

Visit City of Hamilton Public Health website today to learn more about Needle Syringe Supplies and Disposal

Encampment Response:

City of Hamilton Encampment Response: please contact the Response Team at unsheltered@hamilton.ca or call [905-546-2828](tel:905-546-2828)
