SECTION 5: ZONING MAPS, SETBACK STANDARDS AND MINIMUM SEPARATION DISTANCE FORMULAS

Schedules “A” and “B” attached hereto, which may be cited as the “Zoning Maps”, and Schedule “C” attached hereto which may be cited as the “Setback Standards”, together with notations and references shown thereon, are hereby declared to form part of this By-law.

SECTION 6: INTERPRETATION

6.1 General

In their interpretation and application the provisions of this By-law shall be held to be the minimum requirements for the promotion of public health, safety, convenience and general welfare.

Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the more restrictive, or the By-law imposing the higher standard, shall govern. Nothing in this By-law shall exempt any person from complying with the requirements of any By-law of the Municipality or the Regional Municipality of Hamilton-Wentworth, or from any law of the Province of Ontario or of Canada, or any regulation under the provisions of the Conservation Authorities Act.

6.2 Symbols

The symbols set opposite the name of each Zone respectively in Section 4 hereof and used in Schedules “A” and “B” attached hereto, refer to the Zones established in this By-law.

6.3 Defined Areas

The extent and boundaries of all Zones as shown on Schedules “A” and “B” are hereby defined as areas to which the provisions of this By-law shall apply.

6.4 Zone Boundaries

When determining the boundaries of any Zone as shown on Schedules “A” and “B”, the following provisions shall apply:

- (a) A boundary indicated as following a highway, street or lane shall be the centre line of such highway, street or lane.
- (b) A boundary indicated as following a watercourse, creek, stream, or the right-of-way of a railway or an electrical, gas or oil transmission line shall be the centre line of such natural feature or right-of-way.
- (c) A boundary indicated as approximately following lot lines shown on a registered plan of subdivision shall follow such lot lines.

- (d) Where a boundary is indicated as approximately parallel to any street line or other feature in clauses (a) or (b) of this subsection, and the distance from such street line or other feature is not indicated, and clause (c) above is not applicable, such boundary shall be parallel to such street line or other feature, and the distance therefrom shall be determined according to the scale shown on Schedule “A” or “B”. For scaling purposes reference must be made to the original full-scale maps.
- (e) A boundary indicated as following the limits of the Municipality shall follow such limits.
- (f) The limit of any map comprising any Schedule forming part of this By-law as shown on the Key Map of such Schedule shall be deemed to be the boundary of any Zone adjoining such limit.

6.5 Closings

In the event of closure of a street or lane shown on any Schedule forming part of this By-law the property formerly in such street or lane shall be included within the Zone of the adjoining property on either side of such closed street or lane. If a closed street or lane is the boundary between two or more different Zones, the new Zone boundaries shall be the former centre line of the closed street or lane.

6.6 Certain Words

In this By-law the word “**Shall**” is mandatory and not directory; words used in the present tense include the future; words in the singular number include the plural; and words in the plural include the singular number and "Building" includes part of a building.

6.7 Special Figures

- (d) unenclosed porches that project into any minimum front yard a distance of not more than 1.5 metres, or into any minimum side yard a distance of not more than 45 centimetres and;
- (e) accessory buildings, subject to Subsection 7.18; and
- (f) fire escapes that project into any minimum side or minimum rear yard a distance of not more than one metre; and
- (g) signs in accordance with the Sign By-law of the Town; and
- (h) fences, trellises, free-standing walls, flag poles, antennae (except satellite dish receivers), light standards and similar accessory structures and appurtenances, and hedges, trees and shrubs.

7.13 Special Setbacks

- (a) On any corner lot in any Zone, no obstruction, whether permanent or temporary, that blocks vision between a height of 75 centimetres and 2.4 metres above the centre line grade of the street, is permitted within a daylighting triangle of 10 metres, except that the daylighting triangle may be reduced to 6 metres in the “VA” and “C3” Zones.
- (b) Where any street crosses a railway at the same grade, no building, dwelling or structure shall be erected within 45 metres of the point of intersection of the centre lines of the railway and the street.
- (c) Where the regulations of a Zone include a requirement that the minimum yard

of a lot shall be a specific number of metres plus any applicable distance as specified in Schedule “C”, such minimum yard shall be determined by measuring at right angles from the centre line of the street a distance equal to the sum of

- (i) the relevant minimum setback for the appropriate Zone; and
 - (ii) the relevant distance specified in Schedule “C”.
- (d) The following setbacks shall apply in or adjacent to an Agricultural “A” Zone:
- (i) That all development within the City of Hamilton be subject to the Minimum Distance Separation (MDS) formulae as established by the Ministry of Agriculture, Food and Rural Affairs, as amended from time to time. **(07-112)**

7.14 Parking and Loading

Permanently maintained off-street parking and loading facilities shall be provided for every building or structure erected for, altered for, or converted to, any use permitted in any Zone, and the required facilities shall be provided at the time of construction, alteration or conversion.

(a) **General Provisions**

- (i) The number of required parking spaces shall be as set out in 7.14 (b).

Every building requiring frequent deliveries shall have, in addition to the required parking spaces, one or more loading spaces sufficient for its requirements and located to avoid interfering with any fire route, and each loading space shall be used for no other purpose and shall be of adequate size to facilitate its use.
- (ii) The parking facilities shall be located on the same lot as the principal use except as provided in clause (vi) of this subsection.
- (iv) The parking facilities shall have adequate access from a street to permit unobstructed ingress and egress of motor vehicles. Despite the foregoing, a parking space is permitted on a private driveway appurtenant to a detached, semi-detached, or street or block townhouse dwelling.
- (v) Each required parking or loading space shall be permanently accessible.

- (vi) In a “C3” Zone and for commercial uses permitted in a “VA” Zone, parking areas may be located within 150 metres of the lot occupied by the commercial building, subject to a registered agreement that such areas shall be reserved for the exclusive use of the subject commercial building.
- (vii) Any above-grade communal parking structure shall require the same setback regulations as the principal building.
- (viii) Any below-grade communal parking structure shall require a minimum side yard and minimum rear yard setback of 1.5 metres and shall require from any street line the same setback as the principal building.
- (ix) No parking space shall be located:
 - 1. in an “RM4” Zone closer to a street line than 6 metres,
 - 2. in a “C1”, “C3” and “VA” Zone and any Industrial Zone closer to a street line than 2 metres,
 - 3. in a “C2”, “C4”, “C5”, “C6”, “HC”, “O1”, “O2”, “I”, and “P” Zone closer to a street line than 3 metres or closer to a lot line not abutting a street than 2 metres,
 - 4. in an “RM3” and “RM4” Zone closer to any detached dwelling Residential Zone than 3 metres,
 - 5. in a “C1”, “C3”, and “VA” Zone and any Industrial Zone closer to any Residential Zone than 2 metres,
 - 6. in a “C2”, “C4”, “C5”, “HC” and “C6” Zone closer to any Residential Zone than 6 metres,
 - 7. in an “O1”, “O2”, “I” and “P” Zone closer to any Residential Zone than 3 metres.
- (x) In any Residential Zone, at-grade parking areas shall occupy not more than 35 percent of the total lot area.
- (xi) If the calculation of the required parking spaces results in a fraction, the next higher whole number shall apply, and when a building or lot

has more than one use, the required parking spaces shall be the same as required for the separate uses.

- (xii) Where required in a parking area or parking structure, each parking space shall have a minimum width of 2.6 metres and a minimum length of 5.5 metres, exclusive of any land required for access or driveways.
- (xiii) All parking areas required for the accommodation of more than two vehicles shall be constructed with a stable surface of concrete or asphalt, shall have adequate drainage and shall be permanently maintained. "In the Hamlet Commercial "HC" Zone, a stable surface of concrete or asphalt shall be required for the accommodation of 6 or more vehicles, exclusive of the parking spaces required for any residential use."
- (xiv) All parking areas required for the accommodation of more than four vehicles shall have lighting sufficient in intensity and number to provide for public safety, such lighting shall be directed away from abutting properties and streets, and the equipment shall be permanently maintained.
- (xv) Where a parking area which is required to provide for more than four vehicles abuts a lot containing a dwelling comprising one or two dwelling units, a permanently maintained planting strip of a minimum width of 3 metres shall be provided, except that in a "C2" Zone such width shall be 6 metres, and shall include fencing to provide a solid and effective screen.
- (xvi) Where a parking area which is required to provide for more than four parking spaces abuts a street, a permanently maintained planting strip of a minimum width of 3 metres shall be provided along the street line, and it shall be continuous except for aisles or driveways required for access to such parking area.
- (xvii) In any Commercial Zone, "I" and "P" Zone, parking spaces for the physically handicapped shall be assigned from the required parking spaces as follows:

One space for up to 50 required spaces, plus one space for each additional 75 required spaces or part thereof, and the assigned space or spaces shall be the required spaces located nearest building entrances; each space shall have a minimum width of 3.5 metres; and each space shall be suitably identified for the use of the physically

handicapped only, by means of a sign mounted on a standard.

(xviii) Notwithstanding Subsection (b) below, for any permitted commercial use(s) within the Village Area “VA” Zone, except a medical clinic including doctors, dentists, etc. within the definition of business office, located in all or part of a building existing on the effective date of this By-law, no parking spaces are required provided that the number of parking spaces which existed on the effective date of this By-law shall continue to be provided and maintained. Where an addition or expansion of an existing building is proposed, the parking requirements of Section 7.14 (b) below, shall only apply to the commercial use or uses contained within the increased gross floor area. **(15-067)**

(b) **Required Parking Spaces**

the number of spaces required for a use not listed elsewhere in this Subsection shall be sufficient to ensure containment of all necessary parking on the subject property.

 - (iv) The minimum distance from any principal building shall be 3 metres and in no case shall any eave or gutter project into this area.
 - (v) The maximum height for accessory buildings shall be 4.5 metres.
 - (vi) In no case shall any eave or gutter extend more than 30 centimetres into a required minimum setback area.
- (d) The regulations for accessory buildings in any “A” and “M2” through “M4” Zone are contained in the relevant sections.
- (e) The regulations for accessory buildings in an “M1” Zone are contained in Subsection 23.9.

7.19 Hazard Lands

No building or structure shall be erected on lands that have inherent environmental hazards such as flood susceptibility, poor drainage, marshy or swamp conditions, erosion and unstable soils as delineated in an Ontario Regulation under Section 28 of the Conservation Authorities Act, R.S.O. 1980, as amended, unless such building or structure is approved and any required permit is issued by the Conservation Authority having jurisdiction.

7.20 Holding Zones

- a) The prefix “H” may be used in conjunction with any zoning category of By-law 87-57, however, only agricultural uses and uses in existence at the time of the enactment of the By-law applying the holding symbol prefix are permitted.

- b) The “H” Holding symbol may be removed by Council without the necessity of a public meeting, and subject to giving notice of its intention to pass an amending By-law to remove the holding symbol, in accordance with the provisions of Section 35 of the Planning Act, 1983, provided that Council is satisfied that:
 - i) appropriate sanitary sewage and storm water disposal facilities and a potable water supply are available, and
 - ii) appropriate public road access is available,
 - iii) a plan of subdivision has been approved for the site, under the provisions of Section 50 of The Planning Act, 1983, or a site plan has been approved for the land under Section 40 of The Planning Act, 1983; and
 - iv) also satisfied, following consideration of a appropriate technical reports or studies, assessing any impacts of the proposed development on adjacent residential or other areas and how such impacts may be mitigated; that the proposed development will not negatively affect adjoining development; is appropriate for the land, and is in the best interest for orderly growth and development.

7.21 Arcades

Notwithstanding the provisions of Section 7.8 (a), an Arcade is permitted as an accessory use to commercial uses that are permitted by this by-law with the exception of billiard parlours and pool halls, subject to the following provisions:

- (a) No more than 8 amusement devices including video games, pinball machines and other electronic or mechanical game machines shall be permitted.

- (b) Except in a Shopping Centre Commercial “C2” zone, a building or part thereof containing amusement devices shall be located no less than 100 metres from any school building.

- (c) Except in a Shopping Centre Commercial “C2” zone, a building or part thereof containing amusement devices shall be located no less than 30 metres

from any dwelling in a residential zone.

7.22 Satellite Dish Antennae

- (a) Satellite Dish Antennae may be installed in any zone where accessory buildings are permitted. They shall be located in accordance with the relevant regulations applicable to accessory buildings of the specific zone.
- (b) Except as noted in clause 7.22(a), satellite dish antennae may be mounted to a roof structure or any other part of a principal or accessory building provided that all of the regulations applicable to the principle building or accessory building shall apply to the satellite dish antennae.
- (c) Notwithstanding clause 7.22(b), satellite dish antennae shall not be permitted to be attached to any part of a building in any Commercial or Village Area “VA” Zone shown on Map 2, Schedule “B” of By-law 87-57, as amended, nor to any part of a building in a Residential Zone, except Residential Hamlet “RH” Zone.

7.23 Baby Sitting and Private Home Day Care

Baby-sitting and private day care shall be permitted within a dwelling unit that is permitted by this by-law.

7.24 Home-based Business

Home-based business may be conducted within a dwelling unit provided that the following standards are complied with in full at all times:

- (a) The use of the dwelling unit for business activity shall be clearly incidental and subordinate to its use for residential purposes;
- (b) No more that 25% of the floor area of the dwelling unit, up to a maximum of 300 square metres of floor area, shall be devoted to business activity;
- (c) The business activity shall not be conducted in an accessory structure or garage;
- (d) There shall be no outside operations, and no outside storage of equipment, materials or goods associated with the business activity;

9.2 Minimum Lot Frontage and Area Requirements for Lots Abutting Curved Streets

In Residential “R1”, “R2”, “R3”, “R4” and “R5” Zones, the minimum frontage as determined under Subsection 3.79 for a lot other than a corner lot may be reduced 2 metres provided: (15-067)

- (a) the centre line radius of the adjacent street is 60 metres or less; and
- (b) one or both of the side lot lines join the curved portion of the street line;
and
- (c) the minimum area of the lot is increased by 70 square metres,

however not more than 6 such lots are permitted on any one curve.

9.3 Mechanical and Unitary Equipment (15-067)

Air conditioners and pumps (including heat pumps and swimming pool pumps) and other similar mechanical equipment shall be located only in accordance with the following regulations:

- a) Within a required front yard, provided such equipment shall have a minimum setback of 3.0 metres from the street line, a minimum setback of

0.6 metres from a side lot line and is screened from the street by an enclosure or landscaping; and,

- b) Within a required side yard or required rear yard provided such equipment has a minimum setback of 0.6 metres from the side lot line or rear lot line.

9.4 Minimum Lot Requirements

- (a) The average lot width shall be not less than the relevant minimum lot frontage.
- (b) When subsection 3.79(c) is used to establish lot frontage, the front lot line so determined shall be not less than 75% of the relevant minimum lot frontage requirement.

9.5 Privacy Screens

In any “RM2” and “RM3” Zone Privacy screens may be located within a minimum yard provided:

- (a) their height is a minimum of 1.8 metres and a maximum of 2.2 metres; and
- (b) the minimum distance from any screen to a street line shall be 7.5 metres; and
- (c) the minimum distance from any screen to a side lot line, except a lot line common to attached dwelling units in a semi-detached dwelling or a street townhouse dwelling, shall be 2.5 metres; and
- (d) the minimum distance from any screen to a rear lot line shall be 4 metres; and
- (e) the maximum total length of any screen shall be 15 metres and the maximum length of an individual straight section shall be 10 metres; and
- (f) they do not extend less than 3 metres from the rear wall.

9.6 Basement or Cellar

No basement or cellar may be used for calculating the minimum floor area of any dwelling or dwelling Unit and no basement or cellar may be used as a complete dwelling unit except in an apartment building.

9.7 Open Storage

- (a) Commercial vehicles shall be parked or stored only within wholly enclosed buildings.
- (b) No person shall permit the open storage of any equipment or material unless such equipment or material is for use under permit on the premises, or for use incidental to the residential use.
- (c) The foregoing clauses (a) and (b) shall not prevent the parking of motor homes, trailers, recreational vehicles and utility trailers meant for the private use of the dwelling occupants, subject to the regulations of Subsection 7.13 (a), and for the purposes of this Subsection, trailers and recreational vehicles shall not include buses or converted buses, trucks or converted trucks, or any similarly converted vehicle.

9.8 Private Garage

The floor elevation of a private garage shall be a minimum of 30 centimetres above the centre line of the street adjacent to the garage.

- a) Subsection 9.8 shall not apply to any lot located in an Existing Residential “ER” Zone. **(19-303)**

- (h) Maximum Height 11.25 metres.
- (i) Minimum Landscaping 26 percent of the lot area per Subsection (a) hereof. In addition to the definition of "Landscaping" in Section 3.73, landscaping shall include a minimum of 13 trees with a minimum 50 mm caliper planted on site. The minimum landscaping requirement shall not be provided within Block 1 -

Future Right of Way Dedication on Figure 3: 140 Wilson Street West, Ancaster of Section 39: Special Figures.

- (j) Maximum Parking Coverage
The at-grade parking area shall not occupy more than 45 percent of the total lot area. In addition to the requirements of Section 7.14 (a) (xiii), the surface of a parking area may include permeable pavers.
- (k) Future Right-of-Way Dedication
No development, other than access and landscaping but not including a required planting strip, shall occur on Block 1 - Future Right-of-Way Dedication on Figure 3: 140 Wilson Street West, Ancaster of Section 39: Special Figures.

That the amending By-law apply the Holding Provision of section 36(1) of the *Planning Act*, R.S.O. 1990 to the subject lands by introducing the Holding symbol 'H' as a suffix to the proposed zoning.

The Holding Residential Multiple "H-RM6-714" Zone, Modified, shall be removed conditional upon:

- a) That the applicant complete an Archaeological Assessment to the satisfaction of the Ministry of Citizenship and Multiculturalism and the Director of Planning and Chief Planner.
- b) That the Owner prepare and receive approval of a Landscape Plan, including providing for 1 for 1 compensation for 22 privately owned trees (10 cm diameter at breast height (DBH) or greater) that are removed from private property through replanting trees on site and/or payment of cash-in-lieu, to the satisfaction of the Director of Planning and Chief Planner.
- c) That the Owner shall investigate the noise levels and determine and implement the noise control measures that are satisfactory to the City of Hamilton in meeting the Ministry of Environment, Conservation and Parks (MECP) recommended sound level limits. An acoustical report prepared by a qualified Professional Engineer containing the recommended noise control measures shall be submitted to the satisfaction of the City of Hamilton, Director of Planning and Chief Planner. Should a peer review of the acoustical report be warranted, all associated costs shall be borne by the owner and shall be submitted to the satisfaction of the City of Hamilton, Director of Planning and Chief Planner.

SECTION 35: ADMINISTRATION

35.1 Administration

This By-law shall be administered by the City's Director, Planning Division, Chief Planner.
(21-183)

35.2 Inspection of Premises

The Zoning Administrator, or any official or employee of the Municipality acting under his direction, is hereby authorized to enter, at all reasonable hours, upon any property or premises in or about which there is reason to believe that the provisions of this By-law are not being complied with, and for the purpose of carrying out his duties under this By-law.

35.3 Remedies

The contravention of any requirement of this By-law may be restrained by action at the instance of any ratepayer or of the Town of Ancaster pursuant to the provisions of the Municipal Act.

APPENDIX B

SECTION 36: ENFORCEMENT

- 36.1** (a) Every person who contravenes any provisions of this By-law is guilty of an offence and on conviction is liable,
- (i) on a first conviction to a fine of not more than \$20,000; and
 - (ii) on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which such person was first convicted.
- (b) Where a corporation is convicted under subsection (a), the maximum penalty that may be imposed is,
- (i) on a first conviction a fine of not more than \$50,000; and
 - (ii) on a subsequent conviction a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted, and not as provided in subsection (a).
- (c) Where a conviction is entered under subsection (a), in addition to any other remedy or any penalty provided by law, the court in which the conviction has been entered and any court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the person convicted.
- 36.2** In the event that any person shall fail or refuse to perform any matter or thing required to be done under the provisions of this By-law, such matter or thing may be done by the Town of Ancaster and the expense thereof may be recovered against such person by action against such person, or may be recovered as Municipal taxes, or the expense with interest thereon may be payable in annual installments not exceeding 10 years.
- 36.3** Where the owner is in default in doing any matter or thing which he is directed or required to do by this By-law, he is to be given written notice by prepaid registered mail to his usual place of business or place of residence advising him of the default and allowing him not less than thirty (30) days to remedy the default.
- 36.4** Where the owner has been given notice of default by prepaid registered mail and he has failed to remedy the default within the time prescribed in the notice, he is entitled to appear before a meeting of the Council in respect of such default before the Corporation proceeds under Subsection 32.2.

APPENDIX C

SECTION 37: REPEAL OF PRECEDING BY-LAW

By-Law No. 1890, passed the 7th day of May, 1963, being the Zoning By-law of the Town of Ancaster is hereby repealed.

APPENDIX D

SECTION 38: VALIDITY AND EFFECTIVE DATE

38.1 Validity

Every provision of this By-law, including any notation on the Zoning Maps, is declared to be severable from the remainder of the By-law, and if any provision of this By-law shall be declared invalid by a court of competent jurisdiction, such declaration shall not affect the validity of the remainder thereof.

38.2 Effective Date

This By-law shall be deemed to have come into force on the day it is passed by Council, subject to the approval of the Ontario Municipal Board.

Read a first time this 22nd day of June 1987.

Read a second time this 22nd day of June 1987.

Read a third time this 22nd day of June 1987.
