TOWN OF
FLAMBOROUGH

BY-LAW NO. 90-145-Z

BEING A BY-LAW, UNDER
THE PROVISIONS OF
SECTION 34 OF THE
PLANNING ACT,
R.S.O. 1983, CHAPTER 1, AS
AMENDED FROM TIME TO
TIME, TO REGULATE THE
USE OF LANDS AND THE
USE, LOCATION AND
CHARACTER OF
BUILDINGS AND
STRUCTURES WITHIN THE
TOWN OF FLAMBOROUGH.

THE COUNCIL OF THE CORPORATION OF THE
TOWN OF FLAMBOROUGH ENACTS AS
FOLLOWS:

1.1 TITLE

This By-law shall be known as the Zoning By-law of the Town of Flamborough.

1.2 DEFINED AREA

The provisions of this By-law shall apply to all lands within the Town of Flamborough, with the following exceptions:

- (a) Those lands subject to Referral or Deferral from the Town of Flamborough Official Plan, under Section 17 of the Planning Act, R.S.O. 1983, as amended from time to time, until such time as those Referrals and Deferrals are dealt with by the Minister of Municipal Affairs.
- (b) Those lands within the Parkway Belt West Plan, where Regulation 482/1973 shall take precedence over the regulations of this By-law, until such time as the Minister of Municipal Affairs revokes said Regulation. At that time, the regulations contained within this By-law shall come into full force and effect.
- (c) Those lands lying within the Development Control Area pursuant to the Niagara Escarpment Planning and Development Act, R.S.O. 1980, Chapter 316, as amended from time to time. In these areas, the permit requirements under Ontario Regulation 685/80, as amended, shall supersede the regulations of this By-law, until such time as the Minister of the Environment revokes said Regulation from any lands so affected. At that time, the regulations in this By-law shall come into full force and effect on said lands.

1.3 REPEAL OF EXISTING BY-LAWS

All previous By-laws passed pursuant to Section 34 of the Planning Act, 1983, as amended from time to time, or a predecessor thereof, shall be deemed to have been repealed, specifically the former Township of East Flamborough Zoning By-law No. 75-65-EF-Z, as amended; the former Township of West Flamborough Zoning By-law No. 2287, as amended; the former Township of Beverly By-law No. 72-22, as amended and the former Village of Waterdown Zoning By-law No.791, as amended.

1.4 INTERPRETATION**1.4.1 In this By-law:**

- (a) the word “shall” is mandatory;
- (b) words used in the present tense shall include the future tense;

1.4.2 The measurements in this By-law shall be provided in the metric system. The imperial equivalents are provided in Appendix B for convenience only and shall not form part of this By-law.

1.5 SCOPE AND EFFECT

1.5.1 No person shall erect, alter or use any building, structure or lot within the limits of the Town except in conformity with the provisions of this By-law.

1.5.2 No use of land shall be changed, nor shall any building be changed, nor any land divided, if the effect of such change, construction or division contravenes any of the provisions of this By-law.

1.5.3 No lot, nor any building or structure located on a lot shall be deemed to contravene any provisions of this By-law due solely to the fact that a portion of such lot has been or is conveyed to or acquired by the Town, the Region, Her Majesty in right of Ontario, Her Majesty in right of Canada or any board or commission of the foregoing.

1.6 VALIDITY

If any section, clause or provision of this By-law, including anything contained in the attached Schedules, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the remaining sections, clauses or provisions of this By-law.

2.1 ADMINISTRATION

This By-law shall be administered by the City's Director, Planning Division, Chief Planner.
#15-069, #21-185

2.2 COMPLIANCE WITH OTHER RESTRICTIONS

This By-law shall not be construed so as to reduce or mitigate any restrictions or regulations lawfully imposed by the Town or by any governmental authority having jurisdiction to make such restrictions or regulations. Where the requirements of the By-law are greater, the provisions of this By-law shall apply.

2.3 BUILDING AND OTHER PERMITS

- 2.3.1 No Municipal permit, certificate or license shall be issue for a use of a lot or a proposed erection, alteration, enlargement or use of any building or structure that would be in violation of any of the provisions of this By-law, except as provided in the Planning Act, R.S.O. 1983, Chapter 1, as amended from time to time.
- 2.3.2 No excavation for any building or structure shall be commenced until a Building Permit has been issued by an authorized employee of the Town.
- 2.3.3 No person shall occupy a new building or structure, in whole or in part, until such time as a final inspection has been satisfactorily completed.
- 2.3.4 Where Ontario Fill, Construction and Alterations to Waterways Regulations are in effect, a permit from the Conservation Authority having jurisdiction or any other authority having jurisdiction is required prior to any grading/excavation taking place.

2.4 INSPECTION OF PREMISES

- 2.4.1 Subject to 2.4.2, a By-law Enforcement Officer, as designated from time to time by the Council of the Town of Flamborough, is hereby authorized to enter upon any property or premises for the purpose of discharging his or her duties and obligations under this By-law if there is reason to believe that the provisions of the By-law are not being complied with in whole or in part.
- 2.4.2 Notwithstanding anything to the contrary in subsection 2.4.1, no officer or employee of this Corporation shall enter any room or place actually being used as a dwelling unit or part thereof without the consent of the occupant except under the authority of a search warrant issued under the Provincial Offences Act, R.S.O. 1980, chapter 400, as amended from time to time.

2.5 PENALTY

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a penalty within the limits permitted in the Planning Act, R.S.O. 1983, Chapter 1, as amended from time to time, exclusive of costs, and recoverable under the Provincial Offences Act, R.S.O. 1980, chapter 400, as amended from time to time.

2.5.1 Every person who contravenes any of the provisions of this By-law is guilty of an offence and is liable:

- (a) on a first conviction to a fine of not more than \$20,000; and,
- (b) on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

2.5.2 Where a corporation is convicted of contravening any of the provisions of this By-law, the maximum penalty that may be imposed is:

- (a) on a first conviction a fine of not more than \$50,000; and,
- (b) on a subsequent conviction a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.

2.6 REMEDIES

Where any building or structure is or is proposed to be erected, altered, reconstructed, extended or used, or any land is, or is proposed to be used, in contravention of any provision of this By-law, such contravention may be restrained by action at the instance of any ratepayer or the Town pursuant to the provision of the Planning Act, R.S.O. 1983, Chapter 1, as amended from time to time, or the Municipal Act, R.S.O. 1980, chapter 302, as amended from time to time.

- (d) Where the provisions of subsections 4.3 (a), (b) and (c) are not applicable in determining the location of a zone boundary, the zone boundary shall be scaled from the original Schedules A-1 to A-48 inclusive as contained in the Town Offices and shall be deemed to be the centreline of the zone boundary line; and,
- (e) In the event that a street or lane, or part thereof, is closed, the property formerly within such street or lane shall be included within the zone of the adjoining property on either side of closed street or lane. If a closed street or lane was the boundary between two or more different zones, the new zone boundary shall be the former centreline of the closed street or lane.

4.4 MAP DETAILS

Any street or other names or property boundaries shown on the attached Schedules A-1 to A-48 inclusive are for reference purposes only.

4.5 HOLDING ZONES (H)

Notwithstanding any other provisions of this By-law, where the zone symbol on Schedules A-1 to A-48 inclusive has the suffix (H), no lot shall be used or no building or structure shall be erected, located or used therein except for the following purposes until the suffix (H) has

been removed from the zone symbol by a by-law passed pursuant to Sections 34 and 35(4) of the Planning Act, R.S.O. 1983, Chapter 1, as amended from time to time:

- (a) Existing Uses; and,
- (b) General provisions in accordance with the provisions of Section 5 hereof.

4.6 EXCEPTION TO THE ZONE PROVISIONS

Where a symbol on Schedules A-1 to A-48 inclusive is followed by a dash and a number (for example R1-7), the lot, buildings and structures shall be subject to all the regulations of the zone except as otherwise provided by the regulations specified in an exception number to that zone.

4.7 FLOODPLAIN MANAGEMENT AREA PREFIX (F)

Where any zone symbol on Schedule A-35 has the prefix (F), all new development as well as expansion to existing buildings and structures may be permitted, provided such buildings and structures are flood protected to the Regional storm elevation and a permit, pursuant to the Conservation Authorities Act, as amended from time to time, shall be obtained from the Conservation Authority having jurisdiction.

4.8 MINIMUM DISTANCE SEPARATION FORMULAE

#07-112

That all development within the City of Hamilton be subject to the Minimum Distance Separation (MDS) formulae as established by the Ministry of Agriculture, Food and Rural Affairs, as amended from time to time.

5.5 EASEMENT

- (a) Notwithstanding any other provisions of this By-law, no part of any easement conveyed to the Town, Region or other public utility shall be obstructed by any structure or building, or part thereof, from the ground to the sky.
- (b) In any Residential R1, R2, R3, R4 and R5 zone, and any R6 zone with the exception of apartments, the minimum distance between the nearest part of the principal building and any easement along the rear lot line shall be 6 metres, provided that the sum of the width of the easement on the property and the distance between the easement and the nearest part of the principal building is not less than the required rear yard in the zone. In the latter case, the required rear yard setback shall prevail.

5.6 FENCES

#99-97-Z

Subject to the provision of subsection 5.27 and a Noise Impact Study, if required, a fence or wall may be located in any yard subject to the following provisions:

- (a) within any industrial zone, the maximum fence height shall be 3 metres;
- (b) within any other zone, the maximum height shall be 2 metres;
- (c) within any front yard, the maximum height within 6 metres of the front lot line shall be one metre; and,
- (d) within any zone where a tennis court is located, the maximum height of a fence shall be 3 metres, provided that such tennis court is not located in a required front or side yard.

5.7 FRONTAGE REQUIREMENT

No building or structure shall be erected, altered or enlarged on any lot which does not have the required lot frontage on a street, subject to the provision of subsection 5.14, except for a lot located on a plan of subdivision registered prior to the date of passing of this By-law.

5.8 GROUP HOME

A group home shall be permitted in any zone except any industrial zone subject to the following provisions:

- (a) the group home is licensed or approved under Provincial Statute;
- (b) the group home is located within a single detached dwelling containing a minimum of 20 square metres of gross floor area per person residing within the said dwelling unit;
- (c) in the rural area no group home shall be located within 1 kilometre of any other group home;
- (d) in the Urban Area and within Rural Settlement Areas, no group home shall be located within 350 metres of any other group home;
- (e) when any conflict regarding the required separation distances specified in (c) and (d) occurs, the more restrictive of the two distances shall be used;
- (f) all group homes shall be listed on a Municipal Register; and,
- (g) in the rural area, no group home shall be located within 1 kilometre of any Rural Settlement Area boundary.

5.9 HEIGHT EXEMPTION

Any height limitations of this By-law shall not apply to church spires, belfries, cupolas or penthouses which are not used as a dwelling unit, nor to chimneys, ventilators, flagpoles, skylights, watertanks, windsocks, solar collectors, windmills, barns, silos, grain elevators, or similar features, or necessary mechanical structures or electrical supply facilities usually situated above the roof level.

5.10 HELP HOUSES

One help house shall be permitted as an accessory use in an Agriculture-A zone, where it is located on the same lot as a full-time operating farm whose viability shall be confirmed by the Ontario Ministry of Agriculture and Food, where an existing single detached dwelling is located, provided that the two dwellings are occupied only by the farm operator and the farm helper, together with their respective families, and provided that both the farm operator and

the farm helper work full-time on the farm and derive their main source of income from the farm operation, and provided that it is essential that the farm helper reside on the farm. A help house may be a single detached dwelling, a mobile home or a bunk house, and shall be provided in accordance with the zone provisions as set out for the Agriculture A zone and the following general provisions:

- (a) a help house shall not be permitted in the front yard or side yard abutting the flankage street of the principal dwelling on the same lot;
- (b) prior to the occupancy of the help house, the Owner shall obtain from the Town a Certificate of Occupancy specifying the use of the house for agricultural purposes. In addition, the Owner must obtain a new Certificate of Occupancy prior to any change in the type of use of the help house;
- (c) a single detached dwelling shall have a minimum floor area of 65.06 square metres and a maximum floor area of 116.2 square metres and a maximum height of 8.8 metres or two storeys;
- (d) a mobile home shall have a minimum floor area of 28.6 square metres; and,
- (e) a bunk house shall have a minimum floor area of 65.06 square metres OR 8.36 square metres per resident, whichever is greater, and shall have a maximum height of 8.8 metres or two storeys.

5.11 HOME OCCUPATIONS

A home occupation shall be permitted as an accessory use in any dwelling unit provided that the dwelling is separated from any other dwelling by a vertical separation only, subject to the following provisions:

- (a) the home occupation is clearly subordinate to the residential use;
- #99-97-Z (b) no exterior evidence of a home occupation, including a display, or parking area not associated with the principal use, which would indicate that any part of the building is being used for any purpose other than a dwelling unit;
- (c) no open storage of materials, equipment or goods;
- (d) no home occupation shall occupy more than 25 percent of the total floor area of the dwelling unit up to a maximum of 30 square metres;
- (e) a home occupation shall be contained entirely within the dwelling unit excluding the area of an attached garage or carport;
- (f) no goods or merchandise shall be exposed for sale;
- (g) no mechanical or other equipment shall be used or kept except such as is

customarily employed in a dwelling unit for recreational hobbies, domestic or household purposes; and,

- (h) the home occupation shall be carried on only by members of the household residing on the premises.

5.12 LANDSCAPING

5.12.1 Landscaped Open Space

Landscaped open space shall be provided in accordance with zone provisions as set out for any zone and the following general provisions:

- (a) all parts of a lot which are not occupied by buildings, structures, parking areas, loading spaces, driveways, excavations, agriculture uses or permitted outdoor storage shall be maintained as landscaped open space;
- (b) nothing in this By-law shall apply to prevent a landscaped open space from being crossed by a pedestrian walkway or a driveway;
- (c) no part of any driveway, parking area, loading space, rooftop terrace, balcony or space enclosed within a building, other than a landscaped area located above an underground parking area, shall be considered part of the required landscaped open space for a lot; and,
- (d) within any Residential R1, R2, R3, R4, R5 and R6 (street townhouse) zone, a minimum of 50% of the front yard shall be landscaped open space and notwithstanding 5.12.1 (b), shall not be crossed by a driveway.

5.12.2 Planting Strips

#92-22-Z

Planting strips shall be provided in accordance with the zone provisions as set out for any zone and the following general provisions:

- (a) a planting strip shall be maintained along all lot lines adjacent to a street of a lot zoned for Commercial, Institutional, Public Use, Open Space with the exception of parks, Industrial, Medium Density Residential with the exception of street townhouses, and High Density Residential uses;
- (b) on any through lot within the Prestige Industrial 'MI' zone, a planting strip shall be maintained along all lot lines adjacent to a street, and notwithstanding the provisions of 5.12.2(e) below, the planting strip adjacent to any highway frontage shall have a minimum width of 3 metres;
- (c) a planting strip shall be maintained along the rear and interior side lot lines of a lot zoned for any commercial or industrial use, excluding an extractive industrial use, where such lot line is adjacent to any Residential zone or any Institutional zone;
- (d) a planting strip shall be maintained along the rear and interior side lot lines of a lot zoned Medium Density Residential R-6, Medium-High Density Residential R-7 or High Density Residential R-8, where such lot line is adjacent to any other Residential zone or any Institutional zone;

- (e) a planting strip shall be maintained along the rear and interior side lot lines of a lot zoned Institutional 'I' where such lot line is adjacent to a R1, R2, R3, R4 or R5 zone;
- (f) where a lot is zoned Extractive Industrial 'EI', a planting strip shall be maintained along any lot line which is adjacent to a streetline and along the rear and interior side lot lines where such lot line is adjacent to any Residential use or zone;
- (g) a planting strip shall have a minimum width throughout of 3 metres measured perpendicular to the adjacent lot line except when a continuous solid fence or continuous solid wall is provided, the minimum width shall be a minimum of 1.5 metres;
- (h) a planting strip may include a berm except that within a sight triangle, the maximum combined height of the berm and vegetation shall not exceed 0.60 metres, as per Section 5.27;
- (i) nothing in this By-law shall prevent a planting strip from being crossed by a pedestrian walkway or driveway;
- (j) where a planting strip is required and is crossed by a pedestrian walkway or by a driveway, such planting strip shall not be required to extend closer than 1 metre to the edge of the pedestrian walkway or driveway. The intervening space between the planting strip and the pedestrian walkway or driveway shall be maintained as landscaped open space;
- (k) any planting strip required by this section shall be separated from any other use on the lot other than an area of landscaped open space by a continuous concrete barrier curb or a continuous brick or wooden barrier; and,
- (l) a planting strip may form part of any landscaped open space required by this By-law.

5.12.3 Special Treatment Areas

Notwithstanding subsections 5.12.2 (c), (g) and (11), for those areas zoned O2-3 on Schedule A-29, Special Treatment Areas shall be provided in accordance with the following general provisions. The Special Treatment Area shall: **#92-22-Z**

- (a) be used for no other purpose than a solid fence or masonry wall and a continuous hedgerow of evergreens or shrubs and may include a berm;
- (b) have a minimum width of 4 metres; and,
- (c) be not less than 2 metres above the elevation of the ground at the nearest lot line, except that within a sight triangle the maximum height shall be 0.60 metres.

5.13 LOADING REGULATIONS5.13.1 Loading Space Requirements

- (a) the owner or occupant of any lot, building or structure in any Commercial zone, any Industrial zone, or any Medium Density Residential R6 Zone or any High Density Residential R7 Zone, erected or used for any purpose which involves the shipping, receiving, loading or unloading of goods, wares, merchandise or raw materials, shall provide and maintain facilities comprising one or more loading spaces, in accordance with the following:

Total Floor Area of Building or Structure	Number of Loading Spaces Required
280 square metres or less	None
Over 280 square metres up to and including 2325 square metres	1
Over 2325 square metres up to and including 7000 square metres	2
Over 7000 square metres	3, plus 1 additional space for each additional 9300 square metres or part thereof in excess of 7000 square metres

- (b) The owner of any apartment building containing 25 or more dwelling units shall provide and maintain 1 loading space.

5.13.2 Dimensions of Loading Spaces

A loading space shall have minimum dimensions of 12 metres long, 3.5 metres wide and a minimum vertical clearance of 4 metres.

5.13.3 Location of Loading Space

Required loading spaces shall be provided on the same lot occupied by the building or structure which requires the loading spaces and shall not form a part of any driveway. Within the Industrial (M1, M2 and M3), Business District (BD) and Urban Commercial (UC) zones, the required loading space or spaces shall not be located in the front or exterior side yard.

5.13.4 Access to Loading Spaces

Access to loading spaces shall be provided in accordance with the following general provision:

- (a) one or more driveways which have a minimum unobstructed width of at least 4.6 metres shall be required;

5.13.5 Surface and Drainage of Loading Spaces and Driveways

All loading spaces and driveways shall be provided and maintained with a stable surface which is treated in a manner to prevent the raising of dust or loose particles and shall be drained in a manner to prevent the pooling of surface water or the flow of surface water to adjacent lots.

5.13.6 Additions to Buildings or Structures

When a building or structure has insufficient loading spaces to comply with the requirements of subsection 5.13.1, on the date of passing of this By-law, this By-law shall not be interpreted to require the deficiency to be rectified. If any addition is made to the building or structure which increases the total floor area, additional loading space(s) shall be provided as required by subsection 5.13.1 for the total floor area of such addition.

5.14 LOT AREA AND FRONTAGE REQUIREMENTS

All lots without either municipal water service or sanitary sewers or both shall be subject to the requirements of the Regional Department of Health Services for the minimum lot area, provided that if the requirements of the Regional Department of Health Services are less than the requirements of this By-law, this By-law shall prevail.

5.15 LOTS WITH LESS LOT AREA AND/OR LOT FRONTAGE THAN REQUIRED

Where an existing lot has less than the minimum lot area and/or lot frontage than that required by this By-law or where such a lot is created as a result of an expropriation, the lot may be used and a building or structure may be altered, erected or used on such lot provided that the use, building or structure is permitted in the zone and that all other requirements of this By-law are complied with.

5.16 LOTS WITH MORE THAN ONE ZONE

- 5.16.1 Where a lot is divided into two or more zones, each portion of the lot shall be used according to the applicable provisions of the zone.

5.16.2 Notwithstanding anything to the contrary in subsection 5.16.1, where a lot is divided into two or more zones and a use is permitted in each of the zones, the entire lot shall be considered one lot for the purpose of applying the more restrictive zone provisions.

5.17 MINIMUM DISTANCE SEPARATION

The following setbacks shall apply to any agricultural use and any adjacent use:

- (a) no dwelling unit, recreational use or institutional use shall be established or enlarged adjacent to a lot containing any buildings or structures used for livestock, excluding a dwelling unit on the same lot as the livestock use, except in accordance with the requirements of the Minimum Distance Separation Formula One included in Appendix A attached to this By-law; and,
- (b) no building or structure used or intended to be used for the raising of livestock shall be established or enlarged on a lot except in accordance with the requirements of the Minimum Distance Separation Formula Two included in Appendix A attached to this By-law.

5.18 NIAGARA ESCARPMENT PLAN AND PARKWAY BELT WEST PLAN

5.18.1 Lands lying within the Development Control Area pursuant to the Niagara Escarpment Planning and Development Act, R.S.O. 1980, Chapter 316, as amended from time to time, are subject to Permit Requirements under Ontario Regulation 685/80, as amended, which supersede the regulations of this By-law.

5.18.2 For those lands lying within the Parkway Belt West Plan, the provisions of the Plan, Regulation 482/1973, take precedence over the zoning regulations contained within this By-law, except as specified in Section 2.2 herein.

5.19 NON-CONFORMING USES

Nothing in this By-law shall:

- (a) make legal any use of any land, building or structure or a location of a building or structure which was illegal under any previous zoning by-law within the Town of Flamborough;
- (b) prevent the use of any land, building or structure for any purpose prohibited by the By-law if such land, building or structure was legally used for such purpose on the day of the passing of the By-law, so long as it continues to be used for that purpose; or,

- (c) prevent the erection or use for a purpose prohibited by the By-law of any building or structure for which a permit has been issued under Section 5 of the Building Code Act, R.S.O. 1980, Chapter 51, as amended from time to time, prior to the day of the passing of the By-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under Section 6 of the Building Code Act, R.S.O. 1980, Chapter 51, as amended from time to time.

5.19.1 Restoration or Repair Permitted

Nothing in this By-law shall prevent the repair or restoration of any existing, non-conforming building or structure, or part thereof, to a safe condition provided that such repair or restoration will not increase the height, area or volume of such building or structure and that the building or structure continues to be used for the same purpose and in the same manner as it was used on the date of passing of this By-law.

5.19.2 Extensions to Non-Complying Buildings or Structures

Nothing contained in this By-law shall prevent an extension or an addition to a building or structure which is non-complying to this By-law provided that such extension or addition does not contravene any provision of this By-law or cause further increase to the non-compliance.

5.20 OPEN STORAGE

Except where permitted by the zone provisions as set out for any zone, open storage shall be permitted in accordance with the following general provisions:

- (a) no open storage shall be permitted in any front or exterior side yard except within an Agriculture A zone;
- (b) all open storage areas shall be screened from view from any street or from any Residential zone with a planting strip or wood screen fence, or combination thereof, except for an open storage area in conjunction with a permitted agricultural use;
- (c) no parking spaces or loading spaces, as required by this By-law, shall be used for open storage purposes; and,
- (d) within any Medium, except for street townhouse, Medium High and High Density Residential, Institutional, Public Use, Open Space, Commercial, Industrial and Commercial Agriculture zone, all refuse and refuse containers shall be located in the interior side yard or rear yard and shall be screened from view by a solid fence or wall around three sides, and gates on the fourth side, all having a minimum height of 1.8 metres, except where refuse is to be collected within an 18 hour period.

5.21.2 Calculation of Parking Requirements

5.21.2.1 Where a portion of a parking space is required in accordance with subsection 5.21.1, such portion shall be considered one parking space for the purpose of calculating the total parking requirements for the use.

5.21.2.2 When a building, structure or lot contains more than one type of use, the parking space requirement for all uses on the lot shall be the sum of the requirements for each separate use unless otherwise specified in this By-law.

5.21.2.3 Where the number of parking spaces required in subsection 5.21.1 is based on the maximum designed capacity of the building or structure, such capacity shall be deemed to be the same as the maximum capacity for such building or structure permitted by the Ontario Building Code, the Ontario Fire Code, or, where applicable, The Liquor Licensing Board of Ontario.

5.21.2.4 Notwithstanding Subsection 5.21.1 above, for any permitted commercial use(s) within the Business District “BD” Zone, except “Clinic or Office of Physical or Medical Health Practitioner, Physician or Dentist,” located in all or part of a building existing on the effective date of this By-law, no parking spaces are required provided that the number of parking spaces which existed on the effective date of this By-law shall continue to be provided and maintained. Where an addition or expansion of an existing building is proposed, the parking requirements of Section 5.21.1 above, shall only apply to the commercial use or uses contained within the increased gross floor area. **#15-069**

5.21.3 Provision of Parking Spaces for Disabled Persons

In addition to the parking spaces required in subsection 5.21.1, the owner of any building, structure or use, except for single detached, link, semi-detached, duplex, triplex and quadruplex dwellings, townhouse, street townhouse, and a mobile home, shall provide and maintain reserved parking spaces for disabled persons as follows:

#92-22-Z

Capacity of Parking Area (Number of Parking Spaces)	Minimum Number of Spaces to be Reserved for Disabled Persons
1 - 19	0
20 - 99	1
100 - 199	2

Each additional 30 or part thereof	1 to maximum of 12

5.21.4 Dimensions of Parking Spaces

#92-22-Z Each parking space shall have a minimum width of 2.6 metres and minimum length of 5.8 metres except for a parallel parking space which shall have a minimum width of 2.5 metres and a minimum length of 6.5 metres. Notwithstanding the minimum width dimensions of this provision, a parking space for disabled persons shall have a minimum width of 4.4 metres.

5.21.5 Location of Parking on a Lot

Notwithstanding any yard requirements of this By-law to the contrary, uncovered surface parking areas shall be permitted in any required yard subject to the provisions of subsection 5.27 except as follows:

- #92-22-Z (a) in all Residential zones, the required parking spaces shall be prohibited within the required front yard or required exterior side yard except that a driveway within the required front yard or required exterior side yard which is provided for any single detached, link, semi-detached, duplex, triplex or quadruplex dwellings, townhouse or street townhouse or mobile home may be used to provide additional parking supplementary to the parking required in this By-law, and provided that the maximum width of the driveway, or cumulative width of the driveways, shall not exceed 12 metres; #22-193
- (b) in all Industrial zones, no parking area shall be permitted within 5 metres of a boundary of any Residential zone or any A-4 zone;
- (c) in all zones except Residential, no parking area shall be permitted within 3 metres of a boundary of a Residential zone;
- (d) in all Medium, Medium-High and High Density Residential zones, R6, R7 and R8, no parking area shall be located within 6 metres of a window of a habitable room that is in the basement or first floor of a retirement home or apartment building; and,

- #92-22-Z(e) in all zones with the exception of the Residential zones specified in (a) above, no parking area shall be permitted within 3 metres of any street line, except as provided for in Section 5.12.2 (g) herein.
- #99-03-Z(f) in the Business District ‘BD’ and Urban Commercial ‘UC’ zones, no parking shall be permitted in any yard abutting a street.

5.21.6 Access to Parking Spaces

Access to parking spaces, except those accessory to a single detached, link, semi-detached, duplex, triplex or quadruplex dwelling or street townhouse, shall be provided in accordance with the following general provisions: #22-193

- (a) driveways with one-way vehicular movement shall have a minimum unobstructed width of not less than 4.6 metres; and,
- (b) driveways with two-way vehicular movement shall have a minimum unobstructed width of not less than 6.4 metres.

5.21.7 Surface and Drainage of Parking Areas and Driveways

All parking spaces, areas and driveways shall be provided and maintained with a stable surface which is treated in a manner to prevent the raising of dust or loose particles and shall be drained in a manner to prevent the pooling of surface water or the flow of surface water to adjacent lots.

5.21.8 Addition or Change of Use

#92-22-Z Where an existing building, structure or lot has an insufficient number of parking spaces to comply with the requirements contained in subsection 5.21.1, this By-law shall not be interpreted to require that the deficiency be rectified. If any addition is made to the building or structure, or if any change of use takes place, additional parking space(s) shall be provided and maintained in accordance with subsection 5.21.1.

5.21.9 Use of Parking Spaces

#99-91-Z

5.21.9.1 In any Urban Residential ‘R1’, ‘R4’ and ‘R5’ zone, a portion of a lot may be used for the parking or storage of operative motor vehicles which are normally incidental to the permitted uses on the lot, subject to the following:

- (a) parking shall be for the exclusive use of the residents of the dwelling unit on the lot;
- (b) motor vehicles for the personal use of the residents on the lot;

- (c) a maximum of one commercial vehicle with a capacity not exceeding 1 tonne;
- (d) the parking of commercial vehicles exceeding 1 tonne and school buses is not permitted; and
- (e) a maximum of one recreational vehicle, or one boat or snowmobile together with an accessory trailer, or one trailer, provided that:
 - (i) the recreational vehicle, boat, snowmobile, accessory trailer or trailer has a maximum height of 3.7 metres;
 - (ii) the recreational vehicle, boat, snowmobile, accessory trailer or trailer has a maximum length of 7 metres exclusive of hitch and tongue;
 - (iii) it is not permitted in a required exterior side yard; and
 - (iv) it is not permitted within 1 metre of an interior side or rear lot line

5.21.9.2 In any Medium Density Residential 'R6', Medium-High Density Residential 'R7' or High Density Residential 'R8' zone, a portion of a lot may be used for the parking or storage of operative motor vehicles which are normally incidental to the permitted uses on the lot, subject to the following:

- (a) adequate resident and visitor parking spaces shall be provided;
- (b) no commercial motor vehicle or school bus parking shall be permitted;

- (d) Maintenance, utility and storage buildings; and,
- (e) Facilities for outdoor sports and leisure, including an outdoor pool, hot tub, children's play area, volleyball and tennis courts, and picnic areas.

The Holding provision "1(H)" shall remain in effect until such time as the completion of the following conditions:

(1) Site Plan Agreement

The Owner shall enter into a Site Plan Agreement with the City and register it on title, for Block "1"- North Lands to address required improvements and upgrades to the servicing, infrastructure, and layout of the mobile home park in a multi-phase plan to be developed through the Site Plan approval process, through which the required financial securities for the construction of works identified through Site Plan approval process will be specified by the City and posted by the Owner prior to Site Plan approval of each phase.

(2) Municipal Responsibility Agreement

The Owner shall register the signed Municipal Responsibility Agreement and associate Trust Agreement on title. Prior to registration, the Owner shall post the financial securities required thereunder to the satisfaction of Senior Director of Growth Management, the Director of Hamilton Water, Public Works, and the Director of Planning.

(3) Conservation Halton

- (a) A Flood Emergency Plan to the satisfaction of Conservation Halton is required to ensure a safe evacuation of residents during a flood emergency.
- (b) The completion of fill placement/grading and pedestrian bridge upgrades as recommended in the March 6, 2008, Stantec letter report, is required to ensure safe ingress/egress during Regulatory Storm Events to the satisfaction of Conservation Halton.

City Council shall remove the 'H' symbol "1(H)" and, thereby, give effect to the Residential Mobile Home "R9-6-2(H)", Zone, Modified, Holding provisions, to allow for up to 50 permanent mobile home sites by enactment of an amending By-law, once the above-noted conditions 1, 2, and 3, are satisfied.

Holding Provision "R9-6-2(H)" Holding Zone

The removal of the Holding provision "2(H)" will allow for the development of an additional 100 permanent mobile home sites on Block "1" for a total of 150 permanent mobile home sites. The Holding provision "2(H)" shall remain in effect until such time as the completion of the following conditions:

- a) Undertake a Hydrogeological Study for at least one (1) year, with the assistance of a Qualified Person, to characterize the following:
 - i) The direction of groundwater flow;
 - ii) The existence of both an upstream and downstream monitoring well whose location reflects the groundwater flow regime;
 - iii) Confirm that the downstream well is located within the effluent plume and at least 40 metres from the septic system and tile field;
 - iv) Confirm that the monitoring well number and the monitoring well information provided to date was sampled from the upstream and downstream monitoring wells identified in (ii) and (iii), above;
 - v) Determine appropriate effluent trigger limits at the monitoring wells;
 - vi) If recommended by the Hydrogeologist, install additional monitoring wells in order to address items (i) to (v).
- b) Following the collection of at least three consecutive years of monitoring data, the Owner shall reassess the Hydrogeological Study to confirm effluent trigger limits and provide recommendations on any required infrastructure upgrades, referencing the monitoring data in conjunction with the water and waste water flow rate and occupancy records;
- c) Submission of theoretical design flows for both the water and wastewater systems, based on full occupancy of the Fern Brook Development (150 permanent and 100 seasonal sites), following MOE Design Guidelines (2008), City of Hamilton Engineering Guidelines (2006), and the Ontario Building Code;
- d) Submission of historical water and wastewater flow rates which are based on Ministry of Environment Design Criteria and accompanied by occupancy records for the related time period;
- e) Demonstration that the rated capacity of the Water Treatment System is capable of servicing the full Fern Brook Development (150 permanent and 100 seasonal sites), with the rated capacity being based on the largest unit for each process component out of service, and that the system is adequately designed to meet the MOE/Hamilton Fire Department fire storage and fire flow requirements;

- f) Demonstration that the Sewage Treatment System will: i) function adequately for the design flows of the full Fern Brook Development (150 permanent sites and 100 seasonal sites), identifying the need for additional equipment in order to meet the rated firm capacity with the largest unit out of service; ii) operate in accordance with the associated Certificate of Approval; iii) produce an effluent, at the discharge point of the treatment system, with a nitrate concentration less than, or equal to 10 rag/L; and iv) maintain a nitrate concentration, at the property boundary downstream of the sewage treatment system, that does not exceed 2.5 mg/L.; and,
- g) Revisions to the Operations and Maintenance Manuals for the water and wastewater treatment facilities which follow MOE's prescribed format and which include a comprehensive set of operating instructions and a process narrative to explain how the facility is intended to operate in accordance with the required treatment system as determined through the ongoing engineering analysis and in consultation with the City.

City Council shall remove the 'H' symbol "2(H)" and, thereby, give effect to the Residential Mobile Home Zone "R9-6", Modified provisions, to allow for 100 permanent mobile home sites to a maximum of 150 mobile home sites by enactment of an amending By-law, once the above-noted conditions are satisfied.

NOTES FOR HOLDING REMOVAL:

1. In order to allow for the development of the first 50 permanent mobile home sites and services, it will be necessary to first remove the Holding provision from the South Lands. This will accommodate the relocation of the seasonal camping sites from the North Lands to the South Lands.

(c) **HOLDING PROVISIONS**

The Holding provisions of Section 36 (1) of the Planning Act, R.S.O., 1990, as amended, apply to the lands zoned ‘M1-12’ by introducing the Holding symbol H’ as a suffix to the proposed Site-Specific Prestige Industrial Zone.

The Holding Provision ‘M1-12-1’ will prohibit all permitted uses, except a Motel Hotel, Community Centre and Public Use on the lands zoned ‘M1-12’ until such time that:

- (i) A Traffic Impact Study has been submitted to the satisfaction of the Ministry of Transportation and the City of Hamilton which recommends the transportation improvements required to accommodate a maximum gross floor area of 39,947 square metres, excluding motel, hotel, community centre and public uses; and,
- (ii) Arrangements, financial and otherwise, for improvements recommended in the above study have been completed to the satisfaction of the Ministry of Transportation and the City of Hamilton.

The Holding Provision ‘M1-12-2’ will prohibit the gross floor area exceeding 39,947 square metres, excluding a Motel, Hotel, Community Centre and Public Use, on the lands zoned ‘M1-12’ until such time as:

- (i) A Traffic Impact Study has been submitted to the satisfaction of the Ministry of Transportation and the City of Hamilton which recommends the transportation improvements required; and,
- (ii) Arrangements, financial and otherwise, for any required road accesses, roadway infrastructure or interchange works recommended in the above study have been completed to the satisfaction of the Ministry of Transportation and the City of Hamilton.

The Holding provision ‘M1-12-3’ will prohibit the use of the lands zoned ‘M1-12’ for a Warehouse Membership Club until a market impact study has been submitted to the satisfaction of the City of Hamilton’s Director of Development and Real Estate that demonstrates that there will be no significant impact on the planned function of other commercial areas.

City Council may remove the ‘H’ symbol, and thereby give effect to the Site-Specific Prestige Industrial ‘M1-12’ Zone provisions by enactment of an amending By-law once the conditions are fulfilled.”
