Bill No. 052

CITY OF HAMILTON
BY-LAW NO. 25-052

To Amend By-law No. 20-221, being a By-law to Provide for and Regulate a Waste Management System for the City of Hamilton

WHEREAS the Council of the City of Hamilton enacted a by-law to provide for and regulate a waste management system for the City of Hamilton, being City of Hamilton By-law No. 20-221, on October 28, 2020;

AND WHEREAS there were further amendments to By-law 20-221 enacted on October 27, 2021;

AND WHEREAS on June 3, 2021, the Province of Ontario enacted the Blue Box Regulation (O. Reg. 391/21) transferring operational and financial responsibility for residential Blue Box recycling to producers, rather than municipalities, and the City of Hamilton's transition beginning on April 1, 2025;

AND WHEREAS City Council now deems it necessary to amend the City of Hamilton's Solid Waste Management By-law No. 20-221 where required, to reflect the change in the City's scope of responsibility under the new Blue Box Regulation;

NOW THEREFORE Council of the City of Hamilton enacts as follows:

1. That the amendments to this By-law include any necessary grammatical, numbering, and lettering changes.
2. That the Table of Contents section of By-law No. 20-221 be deleted.
3. That Section 2.1 of By-law No. 20-221 be amended by deleting clauses (a), (e) and (jj).
4. That Section 2.1 of By-law No. 20-221 be amended by deleting the lettered bullets beside each defined term.

5. That the following terms in Section 2.1 of By-law No. 20-221 be amended by substituting them with the following definitions:

“acceptable waste” includes garbage, recyclable containers material, recyclable fibres material, organic materials, yard waste, and Christmas trees, provided that it is free from contamination and otherwise compliant with this By-law;

“recyclable containers materials” means those waste items or materials referred to as recyclable containers materials in Schedule “A” to this By-law;

6. That Section 2.1 of By-law No. 20-221 be amended by adding the following definitions in alphabetical order:
